Online Learning - ABC First Aid

ABC in first aid is a list of important things that first aiders must check when dealing with a patient, including airways, breathing and circulation. ABC is part of what St Johns Ambulance calls DR ABC, a general set of first aid steps. The 'DR' part makes sure that the person is safe from further harm, but if not, ABC is used to diagnose a problem.

What Is ABC in First Aid? | First Aid

First Aid Self-teach Workbook from St John Ambulance. St John Ambulance is a charity dedicated to saving lives, delivering first aid and health care projects in the community. First aid is the fifth most popular activity to choose to complete for your DoE skills section. We know it can be hard and expensive to find a first aid course that meets the time commitments of the DoE award so we have produced a self-teach workbook for you to use free of charge.

First Aid Self-teach Workbook from St John Ambulance - The ...

From wikipedia: The 'ABC' method of remembering the correct protocol for CPR is almost as old as the procedure itself, and is an important part of the history of CPR.Throughout history, a variety of differing methods of resuscitation had been attempted and documented, although most yielded very poor outcomes. [3] In 1957, Peter Safar [4] wrote the book ABC of Resuscitation [1], which ...
