~~Principles of Human Communication: Course Introduction ...~~

Communication is a process where one sets out to convey a message to another person through the medium of words, gestures and / or pictures. The process of conveying the message is fulfilled only when the person receiving it has understood the message entirely. The cycle gives the process of communication.

~~INTRODUCTION TO COMMUNICATION - WikiEducator~~

Communication is the process of sending and receiving messages through verbal or nonverbal means, including speech, or oral communication; writing and graphical representations (such as infographics, maps, and charts); and signs, signals, and behavior. More simply, communication is said to be "the creation and exchange of meaning."
